“The ‘F-words’ in Childhood Disability: I swear this is how we should think!”

Help us spread awareness on these 6 F-words!
Function – Family – Fitness – Fun – Friends – Future

The F-words in Childhood Disability\textsuperscript{1} are based on research and build on the World Health Organization’s (2001) International Classification of Functioning, Disability and Health (ICF) Framework\textsuperscript{2}. These 6 F-words are important to ALL children’s development and remind us to focus on what children CAN do.

Health Condition

Fitness → Function → Friendships

Family → Fun
