What will I be asked to do?

- Participate in five ENVISAGE online workshops.
- Complete online questionnaires throughout the study.
- Participate in an optional online interview after completing the workshops to help us develop the program further.

Who can participate?

We wish to engage with parents raising children with neurodisabilities whose children are younger than 6 years of age.

If you are interested or would like more information about the study, please contact:

Abha Balram, Research Assistant: Envisage@acu.edu.au
OR
