

# FAMILY ENGAGEMENT PLAN

**Who is involved on your research team as a family stakeholder and what are their roles?**

**Who is your target audience?**

**How did/will you conduct a family stakeholder needs assessment?**

**How did/will you involve family stakeholders in the research planning and design?**

**How will families be involved in data collection and analysis?**

**What are the barriers in your project to involving families, and how do you intend to overcome them?**

**What are the intended outcomes of the project for families?**
