

## Do you have ideas for improving the research partner experience for youth with neurodevelopmental disabilities?

We want to hear from YOU! Participate in either a **60 minute focus group** OR **30-45 minute individual conversation**.

### What is the purpose?

We hope to develop training materials *with* and *for* youth to support their knowledge, skills, and confidence as **research partners**.

### Who can participate?

**Youth (age 18-25) with a neurodevelopmental condition**

including but not limited to:

- Cerebral Palsy
- Autism Spectrum Disorder
- Attention Deficit (Hyperactivity) Disorder

You will receive a \$20 e-gift card as a token of our appreciation!
