

Algorithm Study Phase for the Autism Classification System of Functioning: Social Communication (ACSF:SC)

We need help from parents/guardians of children with Autism for a new study to examine the strength of correlation between clinician-completed **ADOS** and parent-completed **ACSF:SC** ratings.

Participants are eligible if they:

- ↪ Are parents/guardians of a child between the ages of 3 and ≤6 years,
- ↪ Their child has had an **ADOS** (Autism Diagnostic Observation Schedule).

Participants will be asked to do the following:

- ↪ Complete the **ACSF:SC** rating for your own child,
- ↪ Give us permission to access a copy of your child's **ADOS** results.

Participants will receive the following:

- ↪ A \$20 gift card to compensate their time.
